ORDER:-

Based on the recommendations of the General Administration (Vigilance & Enforcement) Department made in the Vigilance Report 1st read above, disciplinary proceedings have been initiated, under Rule-20 of APCS (CCA) Rules, 1991, by framing charges, vide G.O. 2nd read above, against Sri C. Sridhar Reddy, the then Assistant Executive Engineer, PR SD, Podili, Prakasam district and now working as AEE, PR, PIU SD, Ulavapadu, Prakasam district, on the allegations of irregularities in execution of the work "Providing B.T. surface to the road from Podili Darsi Road to Veligandla" in Prakasam district. In reply to the charges, the Charged Officer has submitted his written statement of defence, vide representation 3rd read above.

2. In the letter 4th read above, the Superintending Engineer, Panchayat Raj, Prakasam has stated that further core tests have been conducted in the CC pavement and found that the strength of the concrete is not as per required at certain locations of CC pavement even after lapse of more than 5 years and hence, it was directed to rectify the CC pavement at defective portions by laying 10cm wearing coat to entire width of each panel. He has further reported that the wearing coat of 10 cm with longitudinal slopes (1:15) to the entire width of panel was laid at the points of deficiencies and the road is in good condition and put open to traffic. In the letter 5th read above, the Engineer-in-Chief, PR, while stating that the deficiencies were rectified, has recommended to drop further action against Sri C. Sridhar Reddy, the then Assistant Executive Engineer, PR SD, Podili, Prakasam district and now working as AEE, PR, PIU SD, Ulavapadu, Prakasam district, in this matter.

3. Government have observed that the Vigilance & Enforcement Department, in their report, has recommended, among others, to reject and relay the CC pavement at Gurugupadu Village portion, as the compressive strengths are not satisfying the relevant grade of concrete and the rejected value of works is of Rs.10,53,515/-. Government have further observed that the SE, Prakasam, in his report, has stated that the wearing coat of 10 cm to the entire width of each panel, duly providing necessary longitudinal slopes (1:15), was laid at the points of deficiencies. This indicates that the Charged Officer have allowed and recorded sub standard quality of concrete work in CC pavement.

4. Government, therefore, after careful examination of the entire matter, have decided to impose the minor penalty "stoppage of one annual grade increment without cumulative effect" on Sri C. Sridhar Reddy, the then Assistant Executive Engineer, PR SD, Podili, Prakasam District and now working as Assistant Executive Engineer, PR, PIU SD, Ulavapadu, Prakasam District, in this matter.

(Contd...P.2/)

5. Accordingly, Government hereby impose the minor penalty "stoppage of one annual grade increment without cumulative effect" on Sri C. Sridhar Reddy, the then Assistant Executive Engineer, Panchayat Raj, Sub Division, Podili, Prakasam District and now working as Assistant Executive Engineer, Panchayat Raj, PIU Sub Division, Ulavapadu, Prakasam District, in this matter.

6. The Engineer-in-Chief, Panchayat Raj, Andhra Pradesh, Vijayawada shall take further necessary action accordingly.
